

## Defensible Space Assessment Guide

**Date:** \_\_\_\_\_ **Address:** \_\_\_\_\_ **Owner/Occupant:** \_\_\_\_\_

**Assessment Items**

**Recommendations:**

| <b>Access</b> |  |
|---------------|--|
| Hydrant       |  |
| Fire Station  |  |
| Driveway      |  |
| Gates         |  |
| Address ID    |  |
| Street Access |  |
| Bridges       |  |
| Swimming Pool |  |
|               |  |

| <b>Topography</b> |  |
|-------------------|--|
| Slope             |  |
| Saddle            |  |
| Canyon            |  |
|                   |  |
|                   |  |

| <b>Type of Construction</b> |  |
|-----------------------------|--|
| Vulnerable Materials        |  |
| Wood siding                 |  |
| Window Type                 |  |
|                             |  |
|                             |  |

| <b>Roof</b>    |  |
|----------------|--|
| Roof Materials |  |
| Chimney        |  |
| Gutters        |  |
| Litter         |  |
| Attic Vents    |  |
| Nooks/Crannies |  |

|                                  |  |                                    |
|----------------------------------|--|------------------------------------|
| <b>Eaves to Foundation</b>       |  |                                    |
| Attic Vents                      |  |                                    |
| Eaves boxed                      |  |                                    |
| Crawl Space                      |  |                                    |
| Windows                          |  |                                    |
| Siding Clean                     |  |                                    |
| Walls and Fences                 |  |                                    |
| Deck(s)                          |  |                                    |
|                                  |  |                                    |
| <b>First 30'</b>                 |  | Note: Attention to Landscape Theme |
| Weeds cut                        |  |                                    |
| Wood Piles                       |  |                                    |
| Chips                            |  |                                    |
| Leaf Build Up                    |  |                                    |
| Plant Selection                  |  |                                    |
| Fire Ladders                     |  |                                    |
| Separation                       |  |                                    |
| Plant Height                     |  |                                    |
| Irrigation                       |  |                                    |
| Propane Tanks                    |  |                                    |
| Storage                          |  |                                    |
| Parking                          |  |                                    |
| Tree condition/health            |  |                                    |
|                                  |  |                                    |
|                                  |  | Note: Attention to Landscape Theme |
